- Connected more than 6,000 new customers and added over 75 miles of new underground gas main (total miles - 700 miles of main) within the last five years.
- Provided natural and propane gas to nearly 19,000 customers in 17 municipalities in northern Pinellas and western Pasco counties.
- Added improved service reliability by developing a double-feed gas main system along the north and south boundaries of our service territory.
- Clearwater Gas service, on average, is interrupted less than 30 seconds per year - a 99.999% service reliability rate.
- As the official gas energy provider for the Clearwater Phillies at its former facility (Jack Russell Stadium), Clearwater Gas has continued its loyal partnership with the Clearwater Threshers at Bright House Networks Field.
- In addition to natural and propane gas, Clearwater Gas System is your full-service energy provider, offering a complete line of modern, energy efficient gas appliances with installation and maintenance services performed by our staff of trained technicians. Call 669-1958 to learn how Clearwater Gas can be your energy solution.

Gas Supervisor Ron Hamm and his team service all gas appliances purchased through Clearwater Gas. In addition to natural and propane gas service, Clearwater Gas provides "one-stop shopping" - from appliance sales and installation to maintenance, service and repair.
