n... ☀ Neighborhoods.

Neighborhoods are the heart and soul of our city. Neighborhoods Day is celebrated in April. Throughout the day, Councilmembers and staff visit block parties and speak with residents in their neighborhoods.

☀ **NIMS.** City employees completed the National Incident Management System requirements for the Department of Homeland Security. This will be important in case of a national or local disaster.

Bianca, 8

Neighborhoods Day is full of food, fun and conversation.
