30	 Buddy is the city's new recycling mascot.					

 **Recycling.** The Solid Waste Department is a well-run business that is concerned about our environment. Remember to reduce, reuse and recycle.

 **Reclaimed Water.** Reclaimed water service was expanded. A new meter reading and billing process was implemented.

 **Route.** The way you get around Clearwater is changing. If you're heading to the beach, use Court Street to reach the new Memorial Causeway Bridge. If you use Fort Harrison Avenue to travel north and south through downtown, give the new four-lane Myrtle Avenue a try.
