**t... ☀ Tree City USA.** Clearwater earned this designation again and celebrated Arbor Day by giving residents free trees. ☀ **Training.** The Fire Department increased monthly training to include weekend and night operations and increased training staff without adding new employees. ☀ **Technology.** This year's technological advances include: a new EOC software program to track requests; a user-friendly online public records document tracking system; a payroll software upgrade, and improvements to the online GIS mapping for residents. ☀ **Traffic.** The Police Department designed and implemented strategies for department-wide traffic initiative.

Lexi, 8

Trees are given away to residents each year on Arbor Day.
