25	26	27	28	29	30 Hurricane Season Ends	

 **Vision.** The city recently rewrote the vision document after gathering extensive input from residents and business owners. Sparkling Clearwater is a uniquely beautiful and vibrant waterfront community that is socially and economically diverse, that reinvests in itself, and is a wonderful place to live, learn, work and play. Six priorities that relate directly back to the vision statement are as follows: Clearwater is a wonderful place to live; Clearwater is a wonderful place to learn; Clearwater is a wonderful place to work; Clearwater is a wonderful place to play; Clearwater provides the infrastructure to support all its attributes; and special places in Clearwater belong to everyone in the community.

Tyler, 5

Visioning sessions were held throughout the city.
