INSTRUCTIONS – EVALUATION

- i.22 **EVALUATION PROCESS.** Bids will be reviewed by the Procurement Division and representative(s) of the respective department(s). The City staff may or may not initiate discussions with bidders for clarification purposes. Clarification is not an opportunity to change the bid. Bidders shall not initiate discussions with any City employee or official.
- i.23 **PRESENTATIONS/INTERVIEWS.** The bidder must provide a formal presentation/interview upon request.
- i.24 **CRITERIA FOR EVALUATION AND AWARD.** The City evaluates three (3) categories of information: responsiveness, responsibility, and price. All bids must meet the following responsiveness and responsibility criteria to be considered further.
- a) **Responsiveness.** The City will determine whether the bid complies with the instructions for submitting bids including completeness of bid which encompasses the inclusion of all required attachments and submissions. The City must reject any bids that are submitted late. Failure to meet other requirements may result in rejection.
 - b) **Responsibility.** The City will determine whether the bidder is one with whom it can or should do business. Factors that the City may evaluate to determine "responsibility" include, but are not limited to: excessively high or low priced bids, past performance, references (including those found outside the bid), compliance with applicable laws-including tax laws, bidder's record of performance and integrity - e.g. has the bidder been delinquent or unfaithful to any contract with the City, whether the bidder is qualified legally to contract with the City, financial stability and the perceived ability to perform completely as specified. A bidder must at all times have financial resources sufficient, in the opinion of the City, to ensure performance of the contract and must provide proof upon request. City staff may also use Dun & Bradstreet and/or any generally available industry information. The City reserves the right to inspect and review bidder's facilities, equipment and personnel and those of any identified subcontractors. The City will determine whether any failure to supply information, or the quality of the information, will result in rejection.
 - c) **Price.** We will then evaluate the bids that have met the requirements above.
- i.25 **COST JUSTIFICATION.** In the event only one response is received, the City may require that the bidder submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the bid price is fair and reasonable.
- i.26 **CONTRACT NEGOTIATIONS AND ACCEPTANCE.** Bidder must be prepared for the City to accept the bid as submitted. If bidder fails to sign all documents necessary to successfully execute the final contract within a reasonable time as specified, or negotiations do not result in an acceptable agreement, the City may reject bid or revoke the award, and may begin negotiations with another bidder. Final contract terms must be approved or signed by the appropriately authorized City official(s). No binding contract will exist between the bidder and the City until the City executes a written contract or purchase order.
- i.27 **NOTICE OF INTENT TO AWARD.** Notices of the City's intent to award a Contract are posted to Purchasing's website. **It is the bidder's responsibility to check the City of Clearwater's website at <https://www.myclearwater.com/business/rfp> to view relevant bid information and notices.**
