

INVITATION TO BID

NOTICE TO CONTRACTORS

Marshall Street WRF Process Control Gate Repairs (FDEP)

Documents and plans for Project # 18-0047-UT are available at www.myclearwater.com/bid.

The work includes:

Design improvements include the replacement of the existing slide gates within the aeration basins 4-13. While the basins are isolated and drained for gate replacement, the Contractor will remove all accumulated grit in the aeration basins, replace damaged or missing elements of the diffused air system and make structural repairs as noted on the plans.
