MS WRF PROCESS CONTROL GATES

INVITATION TO BID

Notice is hereby given that the City of Clearwater (City) is accepting sealed bids on the work of: Design improvements to address deficiencies identified at the MSWRF by the FDEP in an August 7, 2018 letter. Improvements required to be addressed include the replacement of the existing slide gates within the aeration basins 4-13. While the basins are isolated and drained for gate replacement, the Contractor will remove all accumulated grit in the aeration basins, replace damaged or missing elements of the diffused air system, and make structural repairs as noted on the plans.

The Contractor shall provide copies of a current Contractor License/Registration with the state of Florida and Pinellas County in the bid response.

The Contractor shall provide portable project signs as described in Section III, Section 23 of the Contract Documents. The final number of project signs will be determined at the beginning of the project based on the Contractor's schedule of work submitted for approval. Additional project signs may be required at no additional cost to the city due to the Contractor's schedule of work.

See Section 448.095. Florida Statutes (2020).

(2) PUBLIC EMPLOYERS, CONTRACTORS, AND SUBCONTRACTORS —

(a) Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system.

(b)1. If a contractor enters into a contract with a subcontractor, the subcontractor must provide the contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien.

2. The contractor shall maintain a copy of such affidavit for the duration of the contract.

Plans and/or documents are available for viewing at
