RECLAIMED WATER PIPING IMPROVEMENTS PROJECT

INVITATION TO BID

Notice is hereby given that the City of Clearwater (City) is accepting sealed bids on the work of: The Reclaimed Water Piping Improvements Project includes the provision and installation of various sizes of reclaimed water (RCW) main installations including: 4-inch and 8-inch HDPE Reclaimed Water main via HDD; 4-inch, 6-inch, and 8-inch PVC Reclaimed Water main via open cut; and 8-inch and 16-inch Ductile Iron Reclaimed Water Main via open cut, and 2-inch polyethylene RCW service line in casing via HDD (~5,200 LF). The project also includes various size gate valve replacements in areas across the City service area including 4", 6", 8", 12", 16", and 20" gate valves and service line replacements in the North Clearwater Beach area (approximately 983 service lines). The project also includes the removal and replacement of 8-inch VCP gravity main adjacent to RCW main installation, manhole replacement, lateral replacement and reconnection, and associated appurtenances.

The Contractor shall provide copies of a current Contractor License/Registration with the state of Florida and Pinellas County in the bid response.

The Contractor shall provide portable project signs as described in Section III, Section 23 of the Contract Documents. The final number of project signs will be determined at the beginning of the project based on the Contractor's schedule of work submitted for approval. Additional project signs may be required at no additional cost to the city due to the Contractor's schedule of work.

See Section 448.095, Florida Statutes (2020).

(2) PUBLIC EMPLOYERS, CONTRACTORS, AND SUBCONTRACTORS —

(a) Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system.

(b)1. If a contractor enters into a contract with a subcontractor, the subcontractor must provide the contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien.

2. The contractor shall maintain a copy of such affidavit for the duration of the contract.

Plans and/or documents are available for viewing at
