The City must reject any responses that are submitted late. Failure to meet other requirements may result in rejection.

The City reserves the right to inspect and review respondent's facilities, equipment and personnel and those of any identified subcontractors. The City will determine whether any failure to supply information, or the quality of the information, will result in rejection.

The City will rank offers using a point ranking system (unless otherwise specified) as an aid in conducting the evaluation.

The criteria that will be evaluated and their relative weights are:

Only those short-listed proposers would be invited to give presentations and/or interviews. The City will finalize ranking of the firms upon conclusion of presentations/interviews.
- i.18 **PRESENTATIONS/INTERVIEWS.** If requested, the respondent must provide a formal presentation and/or interview. The location for these presentations and/or interviews will be determined by the City and may be held virtually.
